Concept Development & Inspiration

Captured natural light and shadow in a built context.

Explored light and shadow through a crafted paper model.

Rendered the spatial qualities of light and shadow through sketch.

Studio Models & Working Sheets

Developed an abstract character space from the paper model study.

Transformed the abstract space into a physical clay form.

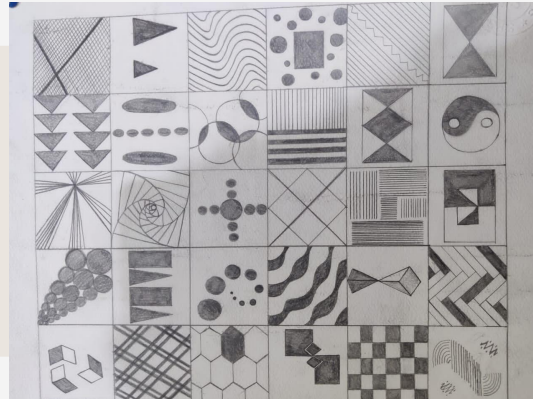

Principles of Design

Captured real-life objects arranged to highlight design principles.

Studied the interplay of color, shape, and form in everyday objects.

A photograph of a modern building facade made of textured concrete. The word "THANKS" is written in large, bold, black capital letters on the upper part of the wall. Below the text, there are several rectangular windows with dark frames. The building is set against a light beige background with a large, stylized, light beige arrow pointing to the right.

THANKS
